Victoria College of Pharmacy, Missionary Cause, Diocese of Guntur, India

Thanks Fr. Timothy Haberkorn and the parishioners for helping and supporting our missionary cause on the weekend of July 13-14. Your help and support towards our missionary cause will directly benefit the education of the poor and marginalized youth of our area. Please do consider helping us and praying for our missionary cause.

The Diocese of Guntur is a mission diocese. It is located in the Southern part of India. At present there are about 529,770 Catholics in the Diocese over a population of 5 million. There are 103 parishes with nearly 500 mission stations. Most Rev. Bhagyaiah Chinnabathini is the Bishop of our diocese at present. We all know how important the education is to our children and to our youth. To help the poor children and youth of our mission areas the diocese itself is providing support to these poor children and youth of our area by establishing different educational institutions in our diocese. We continue to educate our children and youth in faith and Sacraments through these educational institutions.

Victoria College of Pharmacy is one of the educational institutions established by Diocese of Guntur, India in 2006. It is offering B. Pharmacy (4 years) and M. Pharmacy (2 Years) having Two Specializations Pharmaceutics and Pharmaceutical Quality Assurance. Victoria College of Pharmacy imparts high quality teaching and research activities in the field of Pharmaceutical Sciences to generate competent, committed and disciplined human resources with higher ethical values to meet the global standards and in improving the quality of the life through the best use of medicines. Our College is situated 3 miles away from Guntur City and it is a home for many rural youth. We are known for providing quality education for poor and marginalized youth of our area. There are 350 students at present. All our students are from farming background so their parents get nominal pay for their work. We have the lowest fee structure and our goal is to help the poor students and make this education available to them. At present we are in need of providing new machines and equipment for our youth. We need your generous support towards this cause and this would enable us to continue provide quality education to the poor students of our diocese. Please prayerfully consider our college and financially be generous in giving your support to the needy of our diocese. If you are writing a check please make a check payable to your parish and please write the memo as "Missions." Thank you!

Director of Victoria College of Pharmacy
